

ENTRAIN SPACE APPLICATION FORM

Entrain Space is a residential program of enterprise training for veterans and service-leavers, set within a local community. Erskine House in Wilton is the very first Entrain Space, and we hope this will open up a gateway of opportunity to our residents!

We appreciate that this application form is long; however, it is important to read all sections carefully and answer all relevant questions in order for the application to proceed. You can find the full eligibility criteria on the website. The main eligibility criteria are that you have served in the Armed Forces, will engage in the training and employment opportunities, and need housing.

If your application is initially accepted, you will be contacted for a further assessment either face to face, or by telephone. At this point we will require proof of your service record, and of your ID.

We look forward to receiving your application.
